

LANSDOWNE

LIVE 2026

US hard rock / alternative metal band touring with their new album "Wish You Well"

For years, the Boston-based band around singer Jon Ricci has been a staple in the global rock scene, captivating fans worldwide with their high-energy live performances. Known for their infectious hooks, powerful vocals, and dynamic blend of melody and hard rock, the band has accumulated over 140 million streams across digital platforms with their two albums "Blue Collar Revolver" (2011) and "Medicine" (2023), as well as numerous EPs and singles.

Now, Lansdowne are opening a new chapter with their latest album "Wish You Well," released via Berlin-based label Odyssey Music, while continuing to deliver the signature sound that has earned them multiple Top 20 hits internationally. Their momentum shows no signs of slowing, driven by an unwavering passion for the stage and a deep commitment to their fans.
